

RUNNING CLUB

Dear Parent,

We were going to ask years 3 and 4 to join us next term, but, having had a good hard think about it, we feel that it would be better to **stick with years 5 and 6 for the Spring term**. (If this is a problem for you, please send me (Trish) an email and we can discuss....). Apologies to any children in years 3 or 4 who were keen to start up with us – but it will be much more pleasant for them in the summer term.

There are a number of reasons for this change:

- the weather is notoriously bad in the period Jan-March, and we feel that the older children will cope better with this
- we found last year that the year 6 children (in particular) were busy with SATs; shows, trips and athletic meets, etc, in the summer term, so it makes sense to concentrate on the younger years then.

If any year 5 or 6 pupils would like to join us in January, please email me [michael-jones2@sky.com] with the following details:

- child's name and class
- any health or other issues concerning your child which we should be aware of
- a mobile number for emergency contact
- your consent to your child being taken out of the school grounds to run

Miranda has had to step down from the club, due to other commitments; we are very grateful to her for all the wonderful work she has done for and with the club. We are, however, very lucky to have Michelle Tidd join us from January and we welcome her thankfully!

We wish you all a Happy Christmas and we look forward to seeing you in 2015.

Trish, Sharon & Michelle
