VISION STATEMENT REVIEW / QUESTIONNAIRE

Dear Parents/Carers,

In May 2016 the school launched its new vision statement – “*Nurturing every child to grow and flourish in Christ.*” It was created in response from a questionnaire that asked stakeholders at the time, a variety of questions which ranged from: what parents wanted for their child from their time at Ss Alban & Stephen Catholic Junior School to what people would say about the children and staff of our school.

The governors have asked me to review how parents, children and other stakeholders in our school community feel about the school’s current vision statement.

Your child will bring home with them a questionnaire for you to complete and returned to school by **FRIDAY 29TH SEPTEMBER.** It has been designed to encourage discussion about this important aspect of life at Ss Alban & Stephen Catholic Junior School. It underpins everything we do as a school and acts as a guide for the children, parents, staff and governors. Many of the statements will ask you to make a decision based on your feeling about its content and understanding of its message. Please take your time before answering each statement.

Once all of the questionnaires have been returned, I will work with the governors to give you a detailed analysis of the results. We look forward to receiving your completed questionnaires.

Yours faithfully

Charles Soyka
