"Nurturing every child to grow and flourish in Christ"

Welcome back

I hope you all had a wonderful Easter holiday. I cannot believe how quickly this year has passed and that we are in the final term. The children have settled back well into routine. We have lots of lovely activities planned for the summer term. I will send out summer term dates for the diary next week.

Green Day— Tuesday 30th April

On Tuesday, we will be holding our Green Day in school. The teachers have planned lots of different activities for the classes and Year 5 children will also be helping with activities in the Infant School. The children will go out in groups to tidy up our grounds by doing some gardening and litter picking. Please could the children bring in a pair of gardening gloves to protect their hands. We do have some in school but not enough. Thank you.

Year 5 Football

Our first match was against the hosts Fleetville. We started well not conceding a goal until Fleetville put in a good cross and their striker headed it in. There was nothing Boris could do about it. It finished 1-0 to Fleetville. Next we played Park Street. We started well, tackling their defence. Thomas A put in a great cross which Harry finished off nicely with a volley. Harry scored again by smashing the ball passed the goalkeeper after a great pass from Boris. Boris scored next shooting the ball into the bottom corner. Park Street had a corner and a player managed to head it into the top corner. The final score was 3-1 to SSAS.

Our next match was against Sandridge. Straight away Aaron passed the ball to Zack who passed to Thomas A who passed to Harry who finished it off with a great goal. The final goal was Michael's screamer. Camp Road was our important game. It was very close until they scored a goal. Then the match was over.
